

**NEW!**

# Ultra White

Ultra is our modern classic. Exclusively available in white, Ultra White exudes a youthful, confident appearance with a flat panel profile and a double-sided acrylic finish. Its superior distortion-free surface withstands everyday living. Easy to clean, Ultra White reflects light, making any room feel brighter and more significant.

## FEATURES AND BENEFITS

- Solid 3/4" MDF flat panel door and drawer fronts with a high-gloss white acrylic finish
- Doors feature a double-sided, distortion-free gloss finish and matching edge-banding
- 6-way adjustable soft-close doors, close silently and softly with a light push
- Full overlay frameless cabinets provide greater interior accessibility and storage
- Non-toxic surface is safe, durable, and easy to clean
- Sturdy 3/4" white plywood box construction is 50% more than industry standards
- 3/4" adjustable plywood shelves with a 6-sided finish and metal supports for customized storage
- Slim 1/2" double-walled metal drawer with a 5/8" MDF bottom and rear panel supports weight up to 88 lbs

- Concealed 6-way adjustable soft-close drawer glides with smooth running action even under hefty loads
- Full extension glides provide easy access and complete visibility to the entire drawer
- 10-year limited warranty for total peace of mind

## INSTALLATION AND MAINTENANCE

- Suitable for all indoor room applications
- Easy to clean. Clean high-gloss acrylic kitchen cabinets with water and mild soap
